1 **I. FACTS**

2 1. Title 49 U.S.C. § 46306(d) authorizes the seizure and forfeiture of any aircraft whose
3 use is related to a violation of subpart (b) of that same statute. Subpart (b), in turn, makes it unlawful
4 to knowingly and willfully falsify or misrepresent any material fact that is offered in connection with
5 obtaining an official certificate to include an aircraft registration as issued by FAA.

6 2. Christian Eduardo Esquino Nunez (herein after “Eduardo Nunez” or “Nunez”), is both
7 a citizen of Mexico and a convicted felon in the United States, and as such is prohibited under federal
8 law from owning or registering an aircraft for operation in the United States. However, through
9 multiple sales arranged through strawbuyers to willfully conceal and misrepresent his involvement,
10 Nunez was able to orchestrate the illegal ownership and use of the two defendant airplanes, 1975
11 Grumman American G-1159 Airplane, Serial No. 157 Tail Registration No. N468HW and 1969
12 Grumman American G-1159 Airplane, Serial No. 50 Tail Registration No. N650KA, in the United
13 States.

14 3. In January 2005, Nunez pled guilty in the United States District Court for the southern
15 district of California to conspiracy to commit a fraud involving an aircraft. He was sentenced,
16 amongst other things, to 24 months incarceration and was deported to his native Mexico following his
17 release from prison.

18 4. A criminal investigation begun by the DEA in 2012 showed that Nunez owned and
19 operated Starwood Management, LLC, and was responsible for registering several aircraft contrary to
20 federal law. To achieve his illegal goal, Nunez, amongst other things, also employed nominees to
21 conceal his identity as the person in charge.

22 5. The investigation showed that earlier, on December 31, 2007, Nunez assumed control
23 of Starwood Management, LLC., and designated his sister-in-law, Norma Gonzalez a/k/a Norma de la
24 Cruz, as the front person (or Managing Member) of the company. Norma Gonzalez, a United States
25 citizen, was a nominee or straw woman and in practice had no authority to run the company.

26 . . .

1 6. Starwood Management, LLC. purchased the N468HW aircraft on September 7, 2012.
2 Nunez was the person who authorized the release of funds from the escrow company to complete the
3 sale.

4 7. On January 30, 2013, N650KA, Inc. purchased the N650KA aircraft. Again, even
5 though the funds originally came from the bank account of Bertha de la Cruz, Nunez authorized the
6 release of funds from the escrow company to complete the sale.

7 8. On September 9, 2013, the N468HW aircraft, now owned by N468HW, Inc., was
8 transferred, and not sold, to Ford Electric Co.

9 9. On September 10, 2013, the N650KA aircraft, owned by N650KA, Inc., was
10 transferred, and not sold, to Ford Electric Co. Carlos Villaurrutia is the sole corporate officer of Ford
11 Electric Co., holding multiple titles of President, Secretary and Director. On information and belief,
12 Carlos Villaurrutia is the nephew of Eduardo Nunez.

13 10. The transfers of both aircraft were performed by AeroTitle Company on September 9
14 and 10, 2013, respectively. Jacinda Janko, President of AeroTitle, oversaw the escrow transactions for
15 both aircraft.

16 11. In administering the sale of both airplanes through AeroTitle, Janko dealt exclusively
17 with Eduardo Nunez. Janko exchanged several emails and had several telephone conversations with a
18 person who identified himself as Eduardo Nunez, wherein he instructed her on how to carry out all
19 aspects of the transfer on behalf of Ford Electric Co. Any and all information that Janko used to
20 facilitate the transfer of ownership of both aircraft came directly and exclusively from Eduardo Nunez.

21 12. When the transactions were complete for both aircraft, Janko communicated that fact
22 directly to Eduardo Nunez.

23 13. The Bills of Sale for the transfers of the N650KA and N468HW aircrafts were signed
24 by Norma de la Cruz in September 2013, as Treasurer of both N650KA, Inc. and N468HW, Inc. On
25 information and belief, Norma de la Cruz is the sister-in-law of Eduardo Nunez.

26 . . .

1 14. The Federal Aviation Administration Aircraft Application Registration forms for the
2 two defendant aircrafts were signed by Norma del Angel (a/k/a Norma de la Cruz) in September 2013,
3 as the President of Ford Electric Co.

4 15. FltPlan.com is a company that aircraft owners use to file flight plans as well as submit
5 flight manifests for the U.S. Department of Homeland Security and Customs and Border Protection.
6 Records filed with Fltplan.com for aircraft N468HW, while the plane was held by Starwood
7 Management, LLC, N468HW, Inc., and Ford Electric Co., showed that the Emergency Contact was
8 identified as Eduardo Nunez, and listed a phone number and email address seen in escrow files
9 associated with Eduardo Nunez. That information never changed as title in the aircraft changed from
10 one company to the next.

11 **II. PROCEDURE**

12 16. The United States of America ("United States") filed a verified Complaint for
13 Forfeiture in Rem on May 1, 2014. Complaint, ECF No. 11. The Complaint (ECF No. 11) alleges the

5 jurisdiction, in rem jurisdiction over the 1975 Grumman American G-1159 Airplane, Serial No. 157
6 Tail Registration No. N468HW and 1969 Grumman American G-1159 Airplane, Serial No. 50 Tail

9 Airplane, Serial No. 157 Tail Registration No. N468HW and 1969 Grumman American G-1159
10 Airplane, Serial No. 50 Tail Registration No. N650KA occurred and its current location. The

Department of Defense - Manpower Data Center

Arlington, VA 22350

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 501 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service via the "defenseink.mil" URL: <http://www.defenselink.mil/faq/bis/PC09SLDR.html>. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 521(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 501 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service via the "defenseink.mil" URL: <http://www.defenseink.mil/faq/pis/PC09SLDR.html>. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 521(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 501 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service via the "defenseink.mil" URL: <http://www.defenselink.mil/faq/pis/PC09SLDR.html>. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 521(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.
